NEW SATURN
All-around Performance Propeller

* Three-blade stainless steel propeller
* Offers good acceleration & all-around performance
* Smaller pitch sizes offered in extra large diameter with increased blade area
* Large ear design is ideal for pontoons, commercial hulls, and heavy loads

Overall Performance

* Check with engine manufacture for complete prop hardware listings. SOLAS does not make all hardware required for all motors made.

LEXOR
All-around Performance

* Three blade stainless steel propeller
* Large diameter and blade area for big boat loads
* Great high speed performance without sacrificing mid-range speeds
* Excellent fuel economy for offshore boats

* Check with engine manufacture for complete prop hardware listings. SOLAS does not make all hardware required for all motors made.
