~~Note!~~ The information in this Parts Bulletin does **not** apply to the USA or Canada

From Jan 01, 2009, all subscriptions of printed parts catalogs will be deleted. No more distribution of printed catalogs through subscription will be made. The distribution lists will be scrapped. All receivers of a subscription will receive a letter with this information.

All Parts Catalogs are available on DVD (the Electronic Parts Catalog "EPC") and on Partner Network in EPC Online.

It is still possible to order printed catalogs, but each order has to be made manually through the Publication Store.

To order printed parts catalogs and EPC, contact the Publication Store:
