*Parts included in Service Kit (connecting rod kits 30033-0000 & 30040-0000 included where applicable).

**For water pressure systems with dash numbers - 1000 and above, use the switch shown in the Reference Guide. For models with dash numbers under - 1000 or "J" models, use replacement pressure switch conversion number 37121-0000. For detailed instructions see Form 43000-0167. For major repair instructions and complete parts list, request individual product data sheet for current models.

The above-listed are quick-reference service parts. Many other stocked parts are available. Contact your marine salesman.
