TAMD61A

REF	PART NO.	QTY	DESCRIPTION	SEE SEC.	NOTES
1	841762	1	Alternator		REPLACED BY 858839. For 12 voltage electric system.. Do not use the fan wich is included in complete alternator for engine TAMD61, TAMD62, TAMD71 and TAMD72. Correct fan is stated on the page referred to SN-1101001052/XXXXX
				1459	
	858839	1	Alternator		REPLACED BY 858838. For 12 voltage electric system.. Do not use the fan wich is included in complete alternator for engine TAMD61, TAMD62, TAMD71 and TAMD72. Correct fan is stated on the page referred to SN-1101017205/XXXXX
				1464	
	858838	1	Alternator		REPL BY 872018. For 12 voltage electric system.. Do not use the fan wich is included in complete alternator for engine TAMD61, TAMD62, TAMD71 and TAMD72. Correct fan is stated on the page referred to SN-1101038358/XXXXX
				321	
	845940	1	Alternator		REPL BY 849563. For 24 voltage electric system. SN-XXXX/281971
				1382	
	849563	1	Alternator		REPL BY 863955. For 24 voltage electric system.. Do not use the fan wich is included in complete alternator for engine TAMD61, TAMD62, TAMD71 and TAMD72. Correct fan is stated on the page referred to SN-1101019500/XXXXX
				1465	
	863955	1	Alternator		REPL BY 872021. For 24 voltage electric system.. Do not use the fan wich is included in complete alternator for engine TAMD61, TAMD62, TAMD71 and TAMD72. Correct fan is stated on the page referred to. Replaced by alternator 872021 and 1 ea pin 1610144.
