

This technical drawing is an exploded view of a mechanical assembly, likely a pump or motor component. It shows the following parts and their assembly relationships:

- Part 1:** The main housing or frame, shown in two views (top and side).
- Part 2:** A bracket or support arm attached to the side of the housing.
- Part 3:** A small pin or screw used to secure the bracket.
- Part 4:** A circular cover or end plate.
- Part 5:** A gear or impeller component.
- Part 6:** A circular plate or washer.
- Part 7:** A screw used to secure the plate.
- Part 8:** A gear or impeller component.
- Part 9:** A gear or impeller component.
- Part 10:** A screw used to secure the top of the housing.
- Part 11:** A bracket or support arm attached to the top of the housing.
- Part 12:** A gear or impeller component.
- Part 13:** A circular cover or end plate.
- Part 13A:** A small circular component, possibly a seal or plug.
- Part 14:** A screw used to secure the top of the housing.
- Part 15:** A circular plate or washer.
- Part 16:** A gear or impeller component.
- Part 17:** A circular cover or end plate.
- Part 18:** A circular plate or washer.
- Part 19:** A screw used to secure the bottom of the housing.
- Part 20:** A screw used to secure the bottom of the housing.
- Part 21:** A small pin or screw used to secure the bottom of the housing.
- Part 22:** A circular cover or end plate.

The diagram includes dashed lines indicating the assembly path and alignment of the components. The number 10252 is located at the bottom right of the diagram.
