Synthetic Transmission Oil 75W-140

Models: Accessories

Distribution: Parts Date: 06-2008 Binder: Parts Replaces:

Due to logistic and supplier related reasons, the 1- and 20-litre packages of the Synthetic Transmission Oil 75W-140, part numbers 3809440 and 3809438 respectively, will be deleted. The 5-litre package, part number 3809439, will however remain and the recommendation is thus to use 3809439 instead of 3809440 and 3809438 when appropriate.
