Longblock guidelines, V6
Models: 430A, 431A, AQ205A

Note! Please read and understand Parts Bulletin P-21-0-1 before ordering any parts or longblocks. Bulletin P-21-0-1 contains important information that applies to all gas engine long block service.

The current long block for these engines is part number 857408.

Transfer the intake manifold and flywheel from the original engine to the longblock.
