Decontaminator Gasket Change

Models: QL Accessories

Distribution: Parts Date: 02-2008 Binder: Parts Replaces:

Decontaminator gasket PIN 41103605:
Our new packaging will include two different types of o-rings. Both the older type PVC gasket (white) and the new type rubber O-ring (Black)

When dismounting the decontaminator is important to only replace the existing part with the same type and to discard the other.
