**Models: gas 4.3/S.0/S.7/8.1L    EFI**

Distribution: Parts    Date: 07-2006    Binder: Parts    Replaces: N/A

3863460

3862704

3860965

50745

The following fuse/relay box part numbers have been replaced by service kit **3808318**;

3863460

3862704

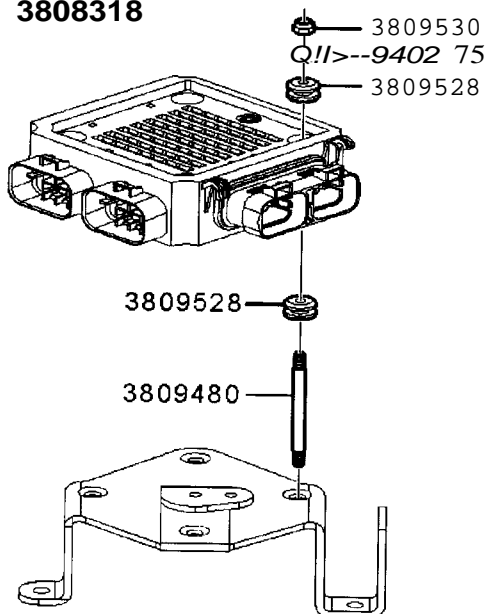

3860965

These boxes, shown at left, were used on the following gas EFI engines;

4.3/5.0/5.7l spec numbers between 3869132 and 3869277.

8.1l spec numbers between 3869087 and 3869292.

### 3808318

50746

Kit **3808318** contains the latest version of the fuse/relay box **plus** isolator bushings for mounting the box to the engine.

The isolators reduce vibration to the box, lengthening the service life of the box. Mounting instructions are included in the kit.

Part numbers for the isolators and hardware are shown in the illustration.
