QL Bow Thruster Update
Models: QL Accessories

Distribution: Parts Date: 05-2006 Binder: Parts Replaces:

A new electric motor has been introduced in the CT600 range. As a result the dimensions of the 24V version is different as below.

The following PIN changes have been made:

Old PIN 41100771, length: 255 mm/10.04 inch replaced by
New PIN 41100868, length: 310mm/12.44 inch

As a consequence the old thrusters PIN 41100771 will be discontinued.

NOTE! Thrusters with PIN 41100771 and serial number as from: NO 54 have unfortunately been equipped with the longer motor. That will have consequences according to spare parts such as carbon-brushes.
