## Do you have #3885909, white paint from Cummins?

I am sorry but the 3885909 is no longer available from Cummins. Instead they have:

Cummins has three marine white colors:

4918660, Cloud white, very bright white, last 10 years or so.

3885912, Marine white, regular white, used on and off last 20 years. (this is what we sell most of)

3824517, Marine gray, yellowish / gray white, used on old commercial rated engines.

Unique solution ID: #1260
