Part Number Questions
Contents of Kit 21676083

Hello:

This kit has two part numbers in it.

1) Two Disc kits (21357719) - attached is a picture of the discs.

2) And the upgrade oil kit 21551779.

Since purchasing the 21676083 is less expensive I would get it this way and just hold onto the discs or if you have not changed the discs maybe change them when do the other work.
