# Part Number Questions

# Volvo 839330 and 839331 Expired Question

Hello Sir:

We received your order for the parts 839330 and 839331. Both parts are expired, but I do have a source for them.

Attached is a quote showing the new prices for these expired parts. The price does increase (my source knows how rare these are).

I also included a good used one of the housing that we have out back.

Please review and let me know what you would like to do.

I am sorry I can't find these at a more reasonable price, but they have been discontinued for 18 years!
