

NOTE #1: The following Gear Housing Assemblies apply to housings with a **1623-822442C2 Casting**. Service replacement of the **ONE (1) piece driveshaft is not being offered**. The following Gear Housing Assemblies are **"GENERIC"**. They **DO NOT INCLUDE THE UPPER DRIVESHAFT (REF. #41)** on gear housing breakdown pages. You **MUST ALSO ORDER** the respective driveshaft extension kit listed below. **When stock of these gear housings is no longer available, order the GENERIC Gear Housing listed on the next page at Note #2, along with the respective driveshaft extension kit to fit your application**
